Join us for a 6-part Implant Study Series presented by Interchrome Dental Lab and Zimmer Biomet Institute

The zbipathwayZ™ Self-Study series is an introductory program which allows clinicians to start on the road to competency in a comprehensive approach to dental implant therapy. The curriculum begins with a series of self-study webcasts as well as two group dinner sessions at Interchrome Dental Lab. The series concludes with a one-day skill development course held at Zimmer Biomet Institute in Parsippany, NJ.

Sessions 1, 3 and 5: Self-Study Web-Based Modules

Sessions 2 and 4: Group Dinner Sessions at Interchrome Dental Lab

Dates: Session 2: February 7, 2019 | Session 4: Date to Come

Session 6: One-Day Hands-on Zimmer Biomet Institute Course | Date: June 15, 2019
