# SLEEP APNEA

Dental Management, Screening & Treatment

A Simple Approach To Dental Sleep Medicine

An educational opportunity for dentists looking to help their patients and generate tremendous revenue via the treatment of sleep apnea.

- Identify sleep disordered breathing in patients you see every day
- Hands on training for dentists and staff
- How to get paid by medical insurance & Medicare
- Step-By-Step protocol solutions
- How to delegate sleep treatment to reduce doctor time and increase ROI
- Review of the top oral appliance options
- Overnight sleep testing option for attendees

Speaker: Dr. John Comisi
