

SURGICAL GUIDE CHECKLIST

Sending a Surgical Guide to Inter-Chrome Dental Lab? Here's your quick-hit checklist to keep things running smoothly and on time.

Relevant case information we need to open a case:

- ✓ Patient + Surgeon names
- ✓ Implant sites noted (#12, #14, etc.)
- ✓ Assistant contact info included
- ✓ Scans less than one month old
- ✓ One patient per WeTransfer
- ✓ Clean models, clear labels
- ✓ Send all case information or transfer portals
- ✉ images@interchromedental.com

Use iTero 3-Shape, Medit or Sirona (DS Core) to share Intraoral Scans. *We can accommodate all platforms.

Use Dropbox, OneDrive or WeTransfer to share CBCT scans. Send to: images@interchromedental.com

Cases will be ready for a Zoom Meeting within 3 days of receiving completed information.

CBCT scans and Intraoral Scans
(Full Arch Upper/Full Arch Lower)

Schedule Zoom Meeting with Patsy

Create a Zoom account.

*We allow 1 hour for meeting. (Multiple cases could be done in that slot.)
Doctor to call lab when ready!*

Call Eddi at (757) 450-1460

(Stack Guides and Edentulous cases only)

Call Philip for all other cases:
(757) 756-9092

Cases will be sent with complete surgical guide, drilling protocol and surgical report

Turnaround: 2 days to complete cases after Zoom meeting

All communication and scheduling will be done by Patsy:

(757) 271-5811
